The variance would allow the lot (Parcel ID 59121) to be served by a 20-foot easement to construct a single-family home. The subject property is located approximately 203 feet northeast of Henry Rhodes Road and behind the property at 773 Henry Rhodes Road (Parcel ID 21428).

Relevant UDO Requirement

§ § 153.050 LOT TO ABUT A DEDICATED STREET.

No lots may be created after the effective date of this chapter that do not have at least 35 feet of dedicated street right-of-way frontage except as follows.

(B) A one-family residence may be constructed on a lot which **existed at the effective date of this chapter** which does not abut a dedicated street right-of-way provided the lot is given access to a dedicated street by an easement at least 12 feet in width for the use of the dwelling established on the lot and further provided that the easement is maintained in a condition passable for automobiles and service and emergency vehicles. This easement may not be extended to provide access to any other lots or to any other residence not having frontage on a dedicated street.

Background Information

- The property was gifted to the applicant by a family member.
- The lot was created in 1993, therefore it is not considered a lot of record.
- The property deed confirms a 20 ft easement through the extension of the existing driveway serving 773 Henry Rhodes Rd.

AERIAL VIEW:

[illegible]

- The property is landlocked. For her to build a home on this property, a variance would need to be granted.

Lincoln County Parcel No. 59121

Staff Comments

- The applicant's request should not affect the neighborhood negatively in any way.
- Staff recommends the driveway be expanded to 12 ft wide and made of gravel or asphalt.
- The applicant will need to address how the four findings of fact are met for the Board of Adjustment to grant the variance.

Findings of Fact with responses from the applicant

- 1. Unnecessary hardship would result from the strict application of the ordinance. It shall not be necessary to demonstrate that, in the absence of the variance, no reasonable use can be made of the property.**
 - “The property does not and cannot have road frontage due to it being landlocked. I do have a 20’ easement to access the property. This is family land that was gifted to me to build a home for my family.”
- 2. The hardship results from conditions that are peculiar to the property, such as location, size, or topography. Hardships resulting from personal circumstances, as well as hardships resulting from conditions that are common to the neighborhood or the general public, may not be the basis for granting a variance.**
 - “See above.”
- 3. The hardship did not result from actions taken by the applicant or the property owner. The act of purchasing property with the knowledge that circumstances exist that may justify the granting of a variance shall not be regarded as a self-created hardship.**
 - “See above.”
- 4. The requested variance is consistent with the spirit, purpose, and intent of the ordinance, such that public safety is secured and substantial justice is achieved.**
 - “See above.”

4. The requested variance is consistent with the spirit, purpose and intent of the ordinance such that public safety is secured and substantial justice is achieved.
